Dear Ms. Jewell:

Commission Order No. 33428 authorized the processing of the above referenced matter under Modified Procedure. The Order also established a procedural schedule, notifying any interested parties that February 25, 2016, was the deadline for any person desiring to state a position on this Application to file written comments, and that March 10, 2016 was the deadline for Rocky Mountain Power to file reply comments.

This letter is to notify the Commission that as a result of staff's recommendation for approval of the pending Application in the above referenced case, Rocky Mountain Power hereby waives its rights to file any reply comments so that the Commission is free to issue its order based on the Application and Staff's recommendations, at a time it deems appropriate.

Very truly yours,
